

Funeral Music

Music is another way of expressing and reflecting on the life of a loved one at Funeral and Memorial Services.

Music plays a powerful role;
it can be emotive, reflective or humorous.

Music choices are endless and it may take some time to find the best songs for a service.

Music can be pre-recorded or performed live at a service.

It is important to acknowledge source and copyright.

Here's just a few ideas to get you started.

We'd Love to Hear from You!
