

# Funeral Celebrants Association Australia Inc

## PURPOSE

Funeral Celebrants Association Australia Inc is a professional development, training and promotional support network for funeral celebrants across Australia.

Members offer a high level, professional and ethical service to clients. They must adhere to a Code of Practice and are required to meet an annual Professional Development Program.

The Association is a non-for-profit organisation incorporated in NSW in 2007.

## OBJECTIVES

1. To promote the role, work and status of professional funeral celebrants in Australia
2. To provide, foster & support ongoing professional development & training for members
3. That members abide by the association's Rules, Code of Practice & Professional Development Program
4. To review and update the Code of Practice & Professional Development Program to ensure relevance to our members, clients and industry
5. To lobby government, regulators, industry associations and other related bodies on relevant industry issues
6. To communicate professionally and openly with members.
